6. From the men of property,
The orders came
They sent the hired men and troopers
To wipe out the Diggers' claim
Tear down their cottages,
Destroy their corn
They were dispersed,
But still the vision lingers on

7. You poor take courage,
You rich take care
This earth was made a common treasury
For everyone to share
All things in common,
All people one
We come in peace –
The order came to cut them down

Rounds* - * - * - *

A revolution now wouldn't do us any harm 'cos we're leading from behind
Break 'em on down: Break 'em on down these walls between us, break 'em on down..

Brother, Can You Spare a Dime,

lyrics: Yip Harburg, music: Jay Gorney (1931)

Intro: They used to tell me I was building a dream, and so I followed the mob,
When there was earth to plow, or guns to bear, I was always there right on the job.
They used to tell me I was building a dream, with peace and glory ahead,
Why should I be standing in line, just waiting for bread?

Union Miner - George Evans
arr. Peter Hunt

1. Miner's life is like a sailor's
Board a ship to cross the waves
Every day his life's in danger
Still he ventures, being brave
Watch the rocks, they're falling daily
Careless miner's always fail
Keep your hand upon your wages
And your eye upon the scale
Chorus
Union miners, stand together
Do not heed the owners tale
Keep your hand upon your wages
And your eye upon the scale

2. You've been docked and docked again, boys
You've been loading three for one
What have you to show for working
Since your mining days began?
Worn-out tools and worn-out miners
and your children thin and pale
Keep your hand upon your wages
And your eye upon the scale

(The) Diggers Song

Bass and Alto sing tune

1. *Unison* You noble Diggers all, stand up now, stand up now, You noble Diggers all, stand up now!

Stand up now Diggers all!

Stand up now, stand up now!

4. *Harmony* With spades and hoes and ploughs, stand up now, X2
With spades and hoes and ploughs, stand up now!
Your freedom to uphold, seeing cavaliers are bold

Don't fence the WTO in

Oh, give me land, lots of land, lots of cash and lots of power
Don't fence me in

11/07/2012,11:56 AM

3. *(men only):*

They're building a wall
Between future and past
A wall to keep distant
The chambers of gas
From bulldozers, gunships
And the tears of a child
Dignity, love
And all honour defiled
To remove reality
From your facts on the ground
A wall to keep distant
The terrible sound
Of the houses that crumble
And the children that die
A wall to keep separate
The truth from the lie

4. *(all):*

They're building a wall
And at such a cost
Land, money and safety
And all the lives lost
A wall made of brick
But bricks can be broken
When the people of Zion
Have finally awoken
And said no more walls
No more refugees
No more keeping people
Upon their knees

52

And the history books Will someday recall
Before apartheid was ended
They were building a wall

Fair Trade Rant - Coffee Musings

Jane Lewis/Wendy Maddison

Chorus:

Fair trade not free trade x3, Brings justice for all

1. As you gaze into your coffee, Do you ever stop to muse
Where the precious beans have come from

13

That the coffee vendors use
Do you know that someone's toiling In a country far away?
But how ever hard they labour,
Growing coffee doesnt pay.

Chorus

2. For the market price has fallen,
Almost noone wants to buy
Paid a pittance, desperate farmers try to grasp the reasons why
There are middle men a plenty,
Selling beans along the chain,
They are happy with their profits, Farmers' loss becomes their gain.

Chorus:

3. Can you swallow this injustice, Do you want to show you care?
Buying Fairtrade makes a difference, Check it out and make it fair. (x2)

Chorus:

El Pueblo Unido –

Sergio Ortega

1. Stand up and sing for victory will come
The banners of union assemble in the sun

11/07/2012,11:56 AM

Other verses not by Michael Heart:

Friends coming over the waves
shot at and murdered in cold light of day
They think they can kill and tell lies to the world and keep Gaza hidden away
But the struggle will always renew
There'll be more standing up for the truth and when they get through
They'll be singing out loud through the smoky haze

Friends from over the waves sent a boat loaded with drugs and aid
Vitamins, bandages, medicines, plasma, trying to break the blockade
When the boat drew up close to our shore
They sent their best soldiers aboard
To kill those who stood in their way
Take the boat, leave a voice in the smoky haze

Granny Was A Suffragette

1. You never knew my Granny, she died some years ago ,
She lived in that old folks'home in moss side, you know.
I used to go on Sundays, sometimes took the kids.
I was always proud of what she did.
Granny was a suffragette - over ninety five
Singing - votes for women is just the beginning.,
You haven't seen anything yet - Granny was a suffragette.

2. The proudest day of Granny's life was when the vote was won,
The papers said it's over; but gran had just begun.
Her wo- men's committee went on to organise.,
And challenged - the union- the council and their lies.
Granny was a suffragette - only five feet tall;
Granny was a suffragette - took on city hall,

Singing - votes for women is just the beginning,
You haven't seen anything yet - Granny was a suffragette.

3. Now here I stand so proudly with my college degree ,
And my daughters have more options than Granny could foresee,
But if you think we're satisfied, take a look around,
There's lots of angry women who won't let their Granny down.

Granny was a suffragette - it's as if she's still alive;
Granny was a suffragette - their voices still survive,
Singing - votes for women is just the beginning,
You haven't seen anything yet

4. Granny was a suffragette, its as if she's still alive.
Granny was a suffragette, their voices still survive
Singing - votes for women is just the beginning,
You haven't seen anything yet, Granny was a suffragette

Bass

Wind power, wave power,
sun power, save power
Wind power,

We needed them to give us a lead

Every one had habits to feed

Money and votes,
Nobody would rock the boat
Now we just wish we could float

Sop

and you can grow your own rice

Before the ice covers it over again,
What happens then?

We're sorry for, we're sorry for
We're sorry for not loving tomorrow more
We're sorry for, we're sorry for, We're sorry for not loving tomorrow more
We needed them to give us a lead,
they needed us to encourage them
Everyone had habits to feed,

It was the present that worried them
Money and votes,
Nobody would rock the boat
Now we just wish we could float

Harriet Tubman

Structure: v. 1, ch, v.2, ch, coda
1. One night I dreamed I was in slavery, 'Bout eighteen fifty was the time,
Sorrow was the only sign,
Nothing around to ease my mind.
Out of the night appeared a lady, Leading a distant pilgrim band.
"First mate," she yelled, pointing her hand,
"Make room on board for this young person."

Chorus:

Singing: Come on up, mm mm mm, I got a lifeline
Come on up to this train of mine
Come on up, mm mm mm, I got a lifeline
Come on up to this train of mine.
She said her name was Harriet Tubman
And she drove for the underground railroad.

2. Hundreds of miles we travelled onward, Gathering slaves from town to town,
Seeking every lost and found,
Setting those free who once were bound.
Somehow my heart was growing weaker, I fell by the wayside's sinking sand.
Firmly did this lady stand,
Lifted me up and took my hand.

Chorus:

Coda: Who are those children dressed in red?
They must be the ones that Moses led. (x2)

(Not) In My Name

Words and Music Mal Finch
1. We can see the forces gathering like so many times before

*"Working for Peace," they say; preparing for war
They are claiming to be standing for democracy
But their voices would be silenced if democracy could speak...

Chorus: You're not doing it in my name (8 times altogether)

2. Make no mistake this outrage is a deed to be condemned

But for people seeking liberty the U.S.A.'s no friend.
Well, remember South East Asia, Palestine and East Timor:

Chorus:

If humanity could speak, well, humanity would cry:

Chorus:

4. Politicians from their pedestals will talk of bravery
For "noble" and "heroic" read " self-interest" and "greed"

We're the champions of order; of that there is no doubt
But if human rights could speak, I tell you human rights would shout:

Chorus

5. Arms dealers make their fortunes on the backs of those who die

While leaders without vision prepare for genocide
To those who claim to represent me, I can smell hypocrisy

I don't give my permission, no, you cannot speak for me.

*** Internationale – Core song**

Billy Bragg/Pierre Degeyter

1. Stand up, all victims of oppression
 For the tyrants fear your might.
 Don't cling so hard to your possessions
 For you have nothing, if you have no rights.
 Let racist ignorance be ended
 For respect makes the empire's fall.
 Freedom is merely privilege extended
 Unless enjoyed by one and all

Chorus:
*So come brothers and sisters for the struggle carries on.
 The Internationale unites the world in song.
 So, comrades, come rally for this is the time and place.
 The international ideal unites the human race.*

2. Let no-one build walls to divide us,
 Walls of hatred nor walls of stone.

23

Oh, greet the dawn and come and join us.
 We'll live together or we'll die alone.
 In our world, poisoned by exploitation
 Those who have taken, now they must give.
 And end the vanity of nations.
 We've but one earth on which to live.....**Chorus**

3. And so begins the final drama
 In the streets and in the fields.
 We'll resist united 'gainst their armour.
 We'll defy their guns and shields.
 When we fight, provoked by their aggression,
 Let us be inspired by life and love.
 For, though they offer us concessions,
 Change will not come from above

Chorus:

11/07/2012,11:56 AM

3. We are a land of many colours,
 and we are singing, singing for our lives
 We are a land of many colours,
 and we are singing, singing for our lives

4. We are gay and straight together,
 and we are singing, singing for our lives
 We are gay and straight together,
 and we are singing, singing for our lives

5. We are anti-nuclear people,

 We are anti-nuclear people,
 and we are singing, singing for our lives

Jericho - (The) Wall Will Come Tumbling Down

Chorus:

Israel made a ghetto of Jericho
 Bethlehem, Jerusalem
 Israel built a wall through Palestine
 But that wall will come tumbling down

1. Let me tell you 'bout that wall of terror
 It's a hundred miles wide
 It's a prison wall through Palestine
 For the villages trapped inside

2. They may talk about security
 But it brings no safety there
 That wall of occupation
 Means starvation and despair

3. That wall stands for apartheid
 Its steals on every hand
 The orchards and the olive groves
 The water and the fertile land

Nana was a suffragette

1. Oh you never knew my Nana,
she died ten years ago
She lived in that old folks home
in Moss Side, you know,
I used to go on Sundays,
sometimes took the kids
I was always so proud of what
she did

Chorus:

31

Nana was a suffragette, one of
the last alive
Nana was a suffragette, over
ninety five
Singing "Votes for women, is
just the beginning
You haven't seen anything yet" -
Nana was a suffragette

2. When I was young I treasured
an old photo of my Nan
Speaking to some workers from
a Clarion van
You wouldn't think it of her she
looked so frail and ill
But on that day Nana emptied
all the women from the mill

Chorus
Nana was a suffragette never
thought to fail
Nana was a suffragette, spent a
night in jail
Singing...

3. The proudest day in Nana's
life was when the vote was won
The papers said "It's over!" but
Nan had just begun
Her Women's Committee went
on to organize
And challenged the Union, the
Council and their lies

11/07/2012, 11:56 AM

Chorus

Nana was a suffragette, only
five foot tall
Nana was a suffragette, took on
City Hall
Singing...

4. (*Women only*) Now here I
stand so proudly with my
college degree
And my daughters have more
options than Nana could foresee
But if you think we're satisfied,
take a look around
There's a lot of angry women
won't let their nanas down

Chorus
Nana was a suffragette; it's as if
she's still alive,
Nana was a suffragette, their
voices still survive
Singing...

Coda: repeat last verse together
with
On and on and on, you can't kill
the spirit,
She is like a mountain, old and
strong,
She goes on and on and on, you
can't kill the spirit
