Plant more trees instead of cutting them down  
 It's our wake-up call,  
 it's our wake-up call.

(ba-du-ba) Let's end this pollu-ution  
 (ba-du-ba) That's part of the solu-ution  
 (ba-du-ba) And we need a revolu-ution  
 It's our wake-up call,  
 it's our wake-up call  
 Sustainability,  
 sustainability,  
 Biodiversity,  
 biodiversity,  
 Care for the earth, care for each other and more!

Walking down the high street with my spade and hoe  
 We plant our own now,  
 we plant our own

Digging up potatoes and watching beans grow,  
 We plant our own now,  
 we plant our own

(ba-du-ba) Solar panels on the old town hall  
 (ba-du-ba) Green jobs make a living for all,  
 (ba-du-ba) Working together is our answer to that call  
 It's our wake-up call,  
 it's our wake-up call.  
 Sustainability (repeat chorus)  
 This is our wake-up call (x 2)

-----D-----  
full of life for all to share  
-----Em-----E-  
We can show the world  
we care,  
-Em-----E

no more carbon in the  
air

-----E-----D----Em

Leave the oil in the  
ground

2. Leave the gas  
beneath the sea, shout  
out now, shout out  
now,  
Leave the gas beneath  
the sea, shout out now,  
This is an emergency,  
limit change to two  
degrees,  
The earth's our  
treasury, so leave a  
hopeful legacy,  
Leave the gas beneath  
the sea

3. Leave the coal in the  
seam, shout out now,  
shout out now,  
Leave the coal in the  
seam, shout out now,

They don't care if we  
all burn in hell.

These are the days my  
friend, And now we  
must

defend.... etc

Corporate interests  
rule the politicians

When I buy their  
products they rule me

Revolutions start from  
small beginnings

Forest fires will spread  
from one small tree.

These are the days my  
friend, And now we  
must

defend.... etc x 2

Make it greener, make  
it cleaner,  
Make it last, make it  
fast, and do it NOW,

We need to build a  
better future...

**4 One Song (D) =  
4SGS****5 This Is An  
Emergency**

*Music and lyrics Bythe  
Pepino, Extinction  
Rebellion*

I'm sorry my friends  
I didn't want to sto-op  
you  
when you were having  
such a fine time  
But this is an  
emergency  
Your house is all on  
fire  
And if we do not rise  
up now  
All this will turn to  
ashes  
I'm sorry my friends  
I didn't want to trouble  
you

when you were having  
such a hard time  
But this is an  
emergency  
The water's are all  
climbing  
And so we have to rise  
up now  
Or we will soon be  
drowning  
I'm sorry my chil-dren  
I didn't want to frighten  
you  
and this is no ghost  
story  
This is an emergency  
Our leaders have all  
failed us  
And so we have to rise  
up now  
And join the rebellion  
And so we have to rise  
up now  
And form the rebellion

 Raised  
 Voices and other  
 political choirs.  
*(G, low part: C)*  
*Original: Bob Dylan;*  
*Adapt. by: Morag*  
*Carmichael (RV)*

How many roads must  
 we humans walk down,  
 Till we know we are  
 one humankind?  
 (Yes and) how many  
 ice caps will melt to the  
 sea?  
 How many lands will  
 be drowned?  
 (Yes and) how many  
 deep sea wells will  
 leak oil,  
 before they are forever  
 banned?  
 The answer, my friend,  
 is blowing in the wind.  
 (x 2)  
 How many years can a  
 mountain exist,  
 before it's blasted to  
 the ground?  
 (Yes and) how many  
 years can forest  
 people exist  
 before their trees are  
 cut down?

Shrink our carbon footprint.

2. Insulate homes and get them lined

Stop oil, gas and coal being mined

Use tidal, solar, wind and find we'll

Shrink our carbon footprint.

3. Organic, local, seasonal eating

### 11. Internationale - Billy Bragg version

1. Stand up, all victims of oppression, For the tyrants fear your might.

Don't cling so hard to your possessions, For you have nothing, if you have no rights.

Let racist ignorance be ended, For respect makes the empire's fall.

Freedom is merely privilege extended, Unless enjoyed by one and all.

Chorus:

So come brothers and sisters for the struggle carries on.

The Internationale unites the world in song.

So, comrades, come rally for this is the time and place.

The international ideal unites the human race.

2. Let no-one build walls to divide us, Walls of hatred nor walls of stone.

Oh, greet the dawn and come and join us. We'll live together or we'll die alone.

In our world, poisoned by exploitation, Those who have taken, now they must give.

And end the vanity of nations. We've but one earth on which to live.

Here's how we make  
all the power that we  
need, in a carbon....  
Windmills turning on  
the hill, solar power for  
when it's still,  
Geo-thermal heating,  
hydro schemes,  
Oh we're cosy and  
warm in our insulated  
homes, in a carbon....

4. How many kinds of  
fun can you find at the  
Oxford City Farm?  
Here's where you learn  
where all your food  
comes from at the  
Oxford City Farm.  
Visiting the pigs is fun,  
watering weeding must  
be done.  
Beans in the ground  
and pumpkins abound.  
So work, play enjoy  
yourself and come and  
have some fun at the  
Oxford City Farm?

### 9. Lay down your rigs & drills

*(Aint gonna study war no  
more):*

--C-----  
Lay down your rigs and  
drills,  
F-----G7  
lay your drill rigs down,  
lay down your rigs by  
the  
--C  
riverside  
Gas, gas no more,  
gas, gas no more,  
Lay down your rigs,  
lay down your rigs by  
the riverside  
Aint gonna frack for  
gas no more (x2),  
Lay down your rigs,  
lay down your rigs by  
the riverside.

### 10. Internationale - Traditional version (1871)

1. Arise ye starvelings  
from your slumbers  
Arise ye prisoners of  
want  
For reason in revolt  
now thunders  
And at last ends the  
age of cant.  
Away with all your  
superstitions  
Servile masses arise,  
arise  
We'll change  
henceforth the old  
tradition  
And spurn the dust to  
win the prize.

12

*Chorus:*  
So comrades, come  
rally And the last fight  
let us face  
The Internationale  
unites the human race.  
So comrades, come  
rally And the last fight  
let us face  
The Internationale  
unites the human race.  
  
2. We peasants  
artisans and others  
Enrolled among the  
sons of toil  
Let's claim the earth  
henceforth for brothers  
Drive the indolent from  
the soil  
On our flesh too long  
has fed the raven  
We've too long been  
the vulture's prey  
But now, farewell the  
spirit craven  
The dawn brings in a  
brighter day
