10. SILENT NIGHT

(in Ab, on Eb)

Silent night, Holy night!

All are quiet, to the plight.

On the TV, little is said,

Of the crisis up ahead,

Put our heads in the sand,

Put our heads in the sand.

Silent night, Holy night!

Children quake at the sight.

Those in power show little
concern,

Fossil fuels continue to burn,

When will voices be heard?

When will voices be heard?

Silent night, Holy night!

May the world, see the light.

Share the wisdom, start to
actAnd respond to science and
fact

For the sake of this earth

For the sake of this earth.

3. JINGLE BELLS

(in E, on B)

Dashing through the snow
In a eco-fuelled sleigh,
O'er the fields we go
Laughing all the way. Ha ha
ha!
Bells are ringing out
Making spirits bright,
What fun it is to ride and
sing
This eco song tonight. Hey!
Jingle bells, no more wells
There's a better way,
Keep fossil fuels, in the
ground
Go green without delay, hey!
Jingle bells, diesel smells,
Petrol's had its day.
Santa's now a vegan
With a cycle powered sleigh!

4. O COME ALL YE REBELS

(in E, on E)

O come all ye rebels, hopeful
and determined,
O come ye, O come ye to
sound the alarm.
Sing with one voice that this
is an emergency,
O come let us amuse them
O come let us enrage them
O come let us engage them
To heed our demands.
We call for justice, justice for
the planet,
We call for ecocide to be
outlawed.
We call on leaders to wake
up and make
changes
O come...
Halt global warming, stop oil
exploration,
Halt big developments &
keep the planet green
Stop all this nonsense
constantly distracting us,
O come...

*(We've got some
policemen with us)*
My brother's at Heathrow
airport
*(Seas are drowning
tropical shores)*
One person can't make a
difference
*(Look how many there are
of us)*
But maybe just one holiday
more
*(Haven't booked? So give
up before)*
I've gotta get home
*(But Baby, you'll miss us
there)*
Say lend me a badge
*(She's giving them over
there)*
You've really been grand
*(We're strong when we're
holding hands)*
But don't you see?
*(Why would you walk
away from me?)*
It's bound to be news
tomorrow
*(Think of our children's
sorrow)*

8

At least there will be plenty
of chat
*(If they're hurt cos we
didn't act)*
I really can't stay
*(There's no time to hold
out)*
Cos Baby, it's warm
(And getting more warm)
Baby it's warm outside!

6. MARKETING IS EVERYWHERE

(Tune: Good King Wenceslas
– in F, on F)

John McDonnell was
distressed,
Saw his assets stranded.
Told his counsellors
“Divest!”
As the folk demanded.
There’s no money making
here,
Climate change is cru-el
Change the pension, bring us
cheer,
No more fossil fu-els
Marketing is everywhere
Leading up to Christmas.
Greedy corporations know
It’s time to do big business.
Selling things that no-one
needs
Pulling in more profit
It’s a silly fairground ride
We should all get o-o-ff it.
Present shopping is a chore
If you choose to do it.
Opting out or making things

5

Bids a farewell to it.
No more rush and no more
crush
No more blind complying.
No more on your credit
cards
No more panic buy-ing
Give the gift of love this year
Resist commercial forces.
You will be far happier
And save the world’s
resources.
Sing this message loud and
proud
Less stuff and more caring.
Love and time and hope are
free,
Help the world we’re sha-
ring
