1. Carbon Free Society

Tune: Country Gardens, trad., collected by Cecil Sharpe; Words: Jane Lewis. Arr. M. Carmichael

Bold: only high voices, Italic-bold: low voices

1. Unison:

How many types of local fruit and veg

In a carbon neutral society?

Here's all the places we can grow our food

In a carbon neutral society

Apple trees along the street,

window boxes full of wheat

Beans in the back,

Green-peas in the park

There's a busy local market full of local food

In a carbon neutral society

2. Harmony

How many types of transport do we have

In a carbon neutral society

Here's all the ways that we can get about

In a carbon neutral society

Bicycles for all to share, public transport everywhere

Cars running on clean energy

Oh there's bike paths and bus lanes

and dancing in the street

In a carbon neutral society

3. Harmony

How many ways of making energy

In a carbon neutral society

Here's how we make all the power that we need

In a carbon neutral society

Windmills turning on the hill,

solar power for when it's still

3. One Song, One Dance

One song, one dance,
one world, one chance
x4

4. Down where the trees are tall

tune: Down by the river side

1. Gotta get to those
tropic lands
Down where the trees
are tall, down where the
trees are tall.
Gotta get to those tropic
lands
Down where the trees
are tall.

Chorus:

Don't want no clearances
no more, don't want no
soya fields no more,
Down where the trees
are tall, tall, tall.

10

Don't want no clearances
no more, don't want no
palm oil farms no more,
Down where the trees
are tall

2. 'Cos they're pumping
out fresh new air,
Out from those trees so
tall, out from those trees
so tall.

Gonna breathe me some
fresh new air
Out from those trees so
tall.

3. Gonna dance in the
rain and mist
Down where the trees
are tall, down where the
trees are tall.
Let the forest folk long
exist
Down where the trees
are tall.

9. Seed of Hope

Tune

Sow seeds of hope,
Where ever you go
sow seeds of hope, some of the seeds gonna fall on stony ground
Sow seeds of hope, wherever you go
sow seeds of hope, some of the seeds bound to grow
taller than you ever could know.

Upper and lower

Sow seeds of hope,
Where ever you go
Sow seeds of hope, some of the seeds bound to grow
taller than you ever could know.

Finale - Internationale - Billy Bragg version

1. Stand up, all victims of
oppression, For the
tyrants fear your might.
Don't cling so hard to
your possessions, For
you have nothing, if you
have no rights.

Let racist ignorance be
ended, For respect
makes the empire's fall.
Freedom is merely
privilege extended,
Unless enjoyed by one
and all.

Chorus:

So come brothers and
sisters for the struggle
carries on.

The Internationale unites
the world in song.

So, comrades, come rally

for this is the time and
place.

The international ideal
unites the human race.

2. Let no-one build walls
to divide us, Walls of
hatred nor walls of stone.
Oh, greet the dawn and
come and join us. We'll
live together or we'll die
alone.

In our world, poisoned by
exploitation,

Those who have taken,
now they must give.

And end the vanity of
nations. We've but one
earth on which to live.

Chorus

3. And so begins the final
drama, In the streets and
in the fields.

We'll resist united 'gainst
their armour. We'll defy

The Internationale unites
the human race. x2

Finale - Internationale

Traditional version (1871)
with verse 2 by Levellers day
committee, May 16th 2015

1. Arise ye workers
[starvelings] from your
slumbers
Arise ye prisoners of
want
For reason in revolt now
thunders
And at last ends the age
of cant.
Away with all your
superstitions
Servile masses arise,
arise
We'll change forthwith
[henceforth] the old
conditions [tradition]
And spurn the dust to win
the prize.

Chorus:

So comrades, come rally
And the last fight let us
face

2. No more deluded by
reaction
On tyrants only we'll
make war
The soldiers too will take
strike action
They'll break ranks and
fight no more
And if those cannibals
keep trying
To sacrifice us to their
pride
They soon shall hear the
bullets flying
We'll shoot the generals
on our own side.

3. No saviour from on
high delivers
No faith have we in
prince or peer
Our own right hand the
chains must shiver
Chains of hatred, greed
and fear
E'er the thieves will out
with their booty [give up
their booty]
