*All on new tune except basses on brrm, brrm riff*

4. We only see what we can see, anything else is theory  
 Don't you come here bothering me  
 with a new doom'n'gloom prophecy  
 There's room for doubt and while the jury is out,  
 Why should our kids do without necessity?

*First two lines Altos and tenors using verse 1 tune*

5. As you can hear, starting from here we're going nowhere  
 'til we resolve how powerful we can be  
 First two lines Sops at same time using verse 4 tune  
 We only see economy, we didn't look at ecology  
 Tomorrow you're looking to me for an apology  
 First two lines Basses

19

Wind power, wave power, sun power, save power  
 last two lines all together:  
 We're sorry it took so long for us to sing the same song  
 And we still hope that you enjoy your legacy somewhere on sea.

*Ending all in harmony:  
 Basses start x4, then tenors x3, then altos x2, then sops x1*

Wind power, wave power, sun power, save power

Leave the oil in the  
ground

Leave the gas beneath  
the sea,  
sing out now, sing out  
now,  
Leave the gas beneath  
the sea,  
sing out now,  
This is an emer-gency,  
limit change to two  
degrees,  
The earth's our treas-ury,  
so leave a hope-ful  
leg-acy,  
Leave the gas beneath  
the sea

Leave the coal in the  
seam,  
sing out now, sing out  
now,  
Leave the coal in the  
seam,  
sing out now,  
Let us turn our planet  
green,  
mak-ing energy that's  
clean  
Sun and wind and tidal  
schemes,

17

Come let's real-ise our  
dream  
Leave the coal in the  
seam

You gentle people all  
sing out now, sing out  
now,  
You gentle people all  
sing out now  
This planet to main-tain,  
prof-it-eer-ing we  
dis-dain,  
Shame-less com-pan-ies  
we name,  
pub-lic own-er-ship we  
claim,  
Leave the oil in the  
ground

## 6. In a Carbon Free Society

*Tune: Country Gardens,  
Words: Jane Lewis. Arr.  
M. Carmichael*

**Bold:** only high voices,  
*Italic-bold:* low voices

### 1. Unison:

How many types of local  
fruit and veg

In a car-bon neutral  
soci-ety?

Here's all the places we  
can grow our food

In a car-bon neutral  
soci-ety

Apple trees along the  
street,

win-dow boxes full of  
wheat

Beans in the back,

Green-peas in the park

There's a busy local  
mar-ket full of local food

In a car-bon neutral  
society

### 2. Harmony

How many types of  
trans-port do we have

In a car-bon neutral  
soci-ety

Here's all the ways that  
we can get about

In a car-bon neutral  
soci-ety

Bicycles for all to share,  
pub-lic trans-port

every-where

Cars run-ning on clean  
energy

Oh there's bike paths  
and bus lanes

and dan-cing in the street

In a car-bon neutral  
society

### 3. Harmony

How many ways of  
mak-ing energy

In a car-bon neutral  
soci-ety

Here's how we make all  
the power that we need

In a car-bon neutral  
soci-ety

Wind-mills turn-ing on the  
hill,

## 18. Internationale

*Billy Bragg version*

1. Stand up, all victims of  
oppression, For the

tyrants fear your might.

Don't cling so hard to  
your possessions, For  
you have nothing, if you  
have no rights.

Let racist ignorance be  
ended, For respect  
makes the empire's fall.

Freedom is merely  
privilege extended,  
Unless enjoyed by one  
and all.

Chorus:

So come brothers and  
sisters for the struggle  
carries on.

The Internationale unites  
the world in song.

So, comrades, come rally  
for this is the time and  
place.

The international ideal  
unites the human race.

2. Let no-one build walls

to divide us, Walls of  
hatred nor walls of stone.

Oh, greet the dawn and  
come and join us. We'll  
live together or we'll die  
alone.

In our world, poisoned by  
exploitation, Those who  
have taken, now they  
must give.

And end the vanity of  
nations. We've but one  
earth on which to live.

Chorus

3. And so begins the final  
drama, In the streets and  
in the fields.

We'll resist united 'gainst  
their armour. We'll defy  
their guns and shields.  
When we fight, provoked  
by their aggression, Let  
us be inspired by life and  
love.

For, though they offer us  
concessions, Change will  
not come from above.

Chorus

### 7. I want Rosa to stay

*Alun Parry -  
we don't sing verse 2*

1. Hello Rosalita, I know  
your name  
I've learned to pronounce  
it again and again  
For I got to know you and  
I know you well  
So I don't believe all the  
tales that they tell  
No I don't believe  
Rosalita's a threat  
Or that she's a strain on  
the national debt  
For Rosa has spirit and  
courage galore  
To brave every ocean  
and land on this shore

#### *Chorus*

I want Rosa to stay  
I want Rosa to stay  
I want Rosa to stay  
Not just today  
Or tomorrow  
But forever

8

2. Well I've read the  
headlines in papers I've  
bought  
The panic that passes as  
rational thought  
Written by peddlars of  
falsehood and fear  
Who say it's a problem  
that Rosa is here.  
They want to make  
Roasa their next  
deportee  
Saying she takes  
resouces intended for me  
And rich men in  
mansions say that's why  
I'm poor  
But I don't remember  
being wealthy before.

#### *Chorus*

3. So I won't be swayed  
by the things that you say  
Cos I understand why  
you play it this way  
For I see a world that is  
owned by the few  
And run in your interest  
to benefit you  
So if we get angry at  
what we obtain
